

BREEDE GRADE CAMP

Wilderness Camp

Itinerary:

Day 1: Arrival day at Fish Eagle River Camp

Day 2: Full day of games + activities

Day 3: Depart back to CPT

Host and Operator: Xama Africa / info@xama.co.za / emergency cell: 0839555790

Xama Africa will be your host and facilitator for the 2-night camping experience. With over 25 years of safari and camping experience you will have the opportunity to learn some camping hacks and learn about the importance of nature conservation, fireside cooking and the beauty of nature.

As a wilderness operator we are dedicated to ensuring your safety with the knowledge of professional wilderness crew and registered paramedic.

Destination: Fish Eagle River Camp, Breede River

Description:

Fish Eagle River Camp is our private campsite situated on the banks of the Breede River, approximately 30kms from Swellendam. A safari styled camp with lush green grass and plenty of shade set within a tranquil valley. Awake to the sounds of the African Fish Eagle and look out for the resident tortoises.

The camp is set within the Renosterveld Project (as one of the last remaining biomes of indigenous renosterveld). This provides a unique natural transition of wildlife between the farmlands.

Detailed Itinerary:

Day 1: Depart from your school meeting point and head out along the N2 towards Riversonderend. A short stop for refreshments and bathrooms before making your way to Fish Eagle River Camp to meet the Xama Africa Team for a fun filled camp. On arrival we will settle in, be assigned safari style dome tents and receive an introduction + orientation before lunch is served. The afternoon will enjoy some camp ice breakers and activities. Dinner will be enjoyed around the campfire in the central boma overlooking the river. Weather dependent, a short walking trail to the top of the hill to participate in some breathtaking views of the nights sky.

Day 2: After a delicious full breakfast, we will be assigned to groups. Grade appropriate activities will commence – from survivor challenges, team building, leadership, creative crafts, your day will be jam packed with some fun and leader led activities. There will be time to enjoy a splash in the river (school policy dependent) and some free time playing garden games or mingling with our friends. A group led activity will be a talent show to showcase before dinner that evening. Use your imagination, the winning team could receive a medal or prize. A mouthwatering dinner is prepared over open fire and enjoyed at the central boma overlooking the Breede River.

Day 3: The last morning always comes to soon as we pack up camp and head home with some great memories and experiences. We hope to see you again soon on one of your next adventures with Xama Africa.

What to bring: Sleeping bag, pillow, cutlery and crockery, torch, camera (optional), comfortable walking shoes/hiking shoes, costume, towel, clothes, warm jacket, hat, SPF50, toiletries, personal medication

Tuckshop available at base camp.
